

# CareFlight

## Registrar Career Information Evening

Join us for an interesting evening and a sneak peek into the exciting, challenging and fast-paced world of retrieval medicine.

CareFlight is an aeromedical charity, established in 1986. Our mission is to save lives, speed recovery and serve the community.

CareFlight recruits and trains critical care registrars for our aeromedical operations both in NSW and NT. The registrars who join our accredited training program spend their term learning to care for the critically ill and injured in a pre-hospital, inter-hospital and aeromedical retrieval environment.

### DETAILS OF THE EVENING

<b>Date</b>	Wednesday, 7th June, 2023
<b>Time</b>	5.30pm - 9pm (presentations begin at 7pm) Food and drink provided.
<b>Location</b>	CareFlight Base - Grounds of Westmead Hospital, Redbank Road, Northmead NSW and via Zoom.

### WHAT TO EXPECT ON THE EVENING

- Meet CareFlight retrieval specialists and registrars and hear why they love this job.
- Meet the Rapid Response Trauma team and tour our Westmead Operations base.
- Explore career options with CareFlight.
- Experience our Education stations where you can find out more about our different retrieval operations, equipment and how we work.
- Speak with CareFlight's support team including HR, Fundraising and Education.
