Club CareFlight

Fly high with CareFlight

CareFlight is offering a unique opportunity for businesses to become a member of Club CareFlight through our business supporter program. Offering four levels of membership, businesses are able to make a one-off or an ongoing annual donation, helping CareFlight provide life-saving services to the community.

2021/22
Top End - Northern Territory
Patients treated and transported 7,393

Club CareFlight

The vast and unique landscape of the Top End offers an incredible lifestyle and endless opportunity, but as a Territory community we know that this comes with immense challenges, especially access to healthcare when its needed most.

CareFlight rescues, treats and transports patients across an area of around 600,000 square kilometres. We deliver emergency department levels of care to sick and injured people in remote, regional and difficult-to-get-to environments as fast as possible.

To continue our life-saving missions, CareFlight relies on partnerships with Top End businesses. We call this community of generous supporters, Club CareFlight, and we invite you to join us.
